Code Of Conduct

User must follow the Service's Code Of Conduct to submit a request to use the Service.

Disclaimer of Warranty

The Service is provided on an "as is" and "as available" basis, without any warranties of any kind, express or implied. Company does not warrant that the Service will be error-free, uninterrupted, or free of viruses or other harmful components. User agrees to use the Service at their own risk.

Limitation of Liability

In no event shall Company be liable for any direct, indirect, incidental, consequential, or special damages arising out of or in connection with the usage of the Service, even if Company has been advised of the possibility of such damages.

Amendment

Us reserves the right to amend this Agreement and/or Service's Code Of Conduct at any time without notice. Any changes to the Agreement and/or Service's Code Of Conduct will be effective immediately upon posting on the GitHub repository. User's continued use of the Service after any amendments constitutes acceptance of the updated Agreement.

Termination

Company may terminate this Agreement at any time without notice if User fails to comply with any of its terms or at Company decision. Upon termination, User must cease all use of the Service and will not be allowed to use the service for one year counting from the date of agreement. If the one year period has ended, User must agree to this Agreement again.

Entire Agreement

This Agreement constitutes the entire agreement between Customer and Company regarding the use of the Service and supersedes any prior or contemporaneous understandings or agreements, whether written or oral.
